## Community Welfare Council

... of Dayton and Montgomery County

184 Salem Avenue • Dayton 6, Ohio • Baldwin 6-2551

November 25, 1959

John Chalk, Pastor  
Northridge Church of Christ  
5900 N. Dixie Drive  
Dayton, Ohio

Dear Mr. Chalk:

In September, the Delegate Body of the Community Welfare Council heard reports from the ten people who studied the problems of the Southern White Migrants under the Ford Foundation and Berea College last summer. From this, a proposal was made to the Council Board of Directors that a committee be established to consider the problems of these people, particularly as they relate to living in an Industrial Community such as Dayton.

The Board approved this proposal and Mr. S. E. Stratton, Manager of the Social Security Administration and a member of the Board, was appointed chairman of this committee.

We feel the committee should include individuals from organizations where these people work, where they receive spiritual guidance and social services, where their children are educated as well as other individuals who are interested in the welfare of the community.

Therefore, we would like to have you serve as a member of this committee.

The first meeting of the committee will be on December 9, 1959, at 4:00 in the afternoon at the Community Services Building, 184 Salem Avenue, in the Red Feather Room.

Will you please advise us of your willingness to serve on this committee and whether or not you can attend the first meeting on the enclosed postcard.

Sincerely yours,

*S. E. Stratton* M.E.N.
